Dear CTE Director/Principal:

Pennsylvania HOSA will honor the Outstanding HOSA Secondary and Postsecondary/Collegiate Advisor of the Year at our 41st Annual State Leadership Conference. The state winner in each category will also be recognized at the HOSA International Leadership Conference (ILC) held in June 2020 in Houston, Texas. The recipient is not required to be in attendance at the ILC in order to receive recognition.

Your PENN HOSA Local Chapter Advisor has requested that he/she be considered for this award. A requirement for this award is a letter of support/reference from you.

You may wish to ask your local advisor to list information such as curriculum development efforts, placement of HOSA students in jobs, involvement with occupational advisory committees, involvement with business and industry, honors and awards, memberships in professional organizations, participation in community organizations and activities with HOSA members, workshops, state conference participation (planning, facilitating, etc.), public relations, etc. to assist you in completing the letter of support/reference letter. His/her involvement with HOSA is a critical area when the committee reviews the applications.

The “Outstanding HOSA Advisor of the Year” Awards Committee appointed by the PENN HOSA Executive Director/State Advisor will select the Advisor of the Year. The secondary and postsecondary/collegiate winner will be announced at the State Leadership Conference Recognition Session on April 2, 2020.

Please don’t hesitate to contact me with any questions you have by calling 484-854-0047 or via email at wslauchhosa@gmail.com. Thank you for your time and consideration given to this request.
