Hello PostSecondary and Collegiate members!

Sorry for this long overdue email.

We have many exciting new opportunities for our Post Secondary/Collegiate members this year! Please check the PS/C Calendar of events that is attached to this email for PreConference Practice Testing Registration & Dates. As well as several webinars and networking opportunities being planned for you!

First up! Please join us this **Saturday, 11/14/26, from 10:00 AM-11:15 AM for DEMENTIA FRIENDSgiving.** Dementia Friends is a global initiative to decrease the stigma and isolation of a dementia diagnosis by increasing the awareness. No matter which path you choose in healthcare, you will likely be challenged to care for someone living with dementia. Come learn about some of the common types, the 10 early warning signs, communication tips and resources! You will receive a certificate of attendance. Zoom link is below, please feel free to share with your members and friends.

We will also use the same Zoom Link for the **AARP Ageism Webinar next month on 12/12/26 from 10:00-11:00 AM.** This curriculum was developed in partnership with the Gerontological Society of America to raise awareness of your own ageist stereotypes, prejudice and discrimination. Learn about the 4Ms Framework, and how ageism affects the quality of care. Please help PENN HOSA reach our goal of sharing this curriculum with 1000 people by 12/16/26!

Alison Sprankle is inviting you to a scheduled Zoom meeting.
