To: bcsprankle@pahosa.org, Kristian Sprankle <kpsprankle@pahosa.org>

During this season of thankfulness, I want to express how incredibly thankful I am for all of you! You are the brains of this organization and the members are the heartbeat. PENN HOSA doesn't exist without all of you. Thank you for all you do!

This week, please continue to register your students for the PreConference Practice testing. Registration closes on 11/20. The testing window is 12/11-12/18. Once you have your members registered, please make sure to check CMS to ensure you have a proctor or proctors enabled. They will receive their instructions and confidentiality statement closer to 12/11.

For those students who are unable to attend the **DEMENTIA FRIENDSgiving** during the school day, I will be offering the session on **11/30/26 at 7:00 PM**. I will email the zoom link the week before so you can share with your students who are interested.

For those who were unable to attend the **AARP Ageism** session last month, I will be offering that on **12/2/26 & 12/7/26 at 7:00**. It will be the same zoom link as the above Dementia Friends session.

I know you've been eagerly awaiting the **Rooming and Meal Rates for the 2027 SLC**--Please see attached!

I am attaching the Calendar of Events and Competitive Events Cheat sheet one more time for your convenience.

Lastly, thank you Dr Ernie Powell for responding that Jennifer Maryniak has been a mentor for you when you were starting out as an advisor. You will be receiving a coffee gift card in the mail, as promised.

Please take this opportunity to thank someone who's been a mentor to you!
